CE-WV-59 (amended)

DATE: February 24, 2020

To All Interested Parties:

In accordance with the State regulations found in Title 47, Series 31, "State Water Pollution Control Revolving Fund", the Department of Environmental Protection has performed an Environmental Review on the proposed project, as described below, and on the attached Environmental Assessment:

City of Benwood
Phase 1A – Sewer Separation Project
SRF No. C-544531

(Official Project Name and Number)

City of Benwood
430 Main Street
Benwood, WV 26031

(Project Applicant)

City of Benwood
Marshall County, West Virginia

(Project Location, City, County, State)

\$3,404,539

(Estimated Amended State Revolving Fund Financial Share)

\$3,963,639/\$3,963,639

(Estimated Amended Total Project Cost/Estimated Eligible Cost)

Promoting a healthy environment.

City of Benwood
SRF No. C-544531

The review process indicated that either significant environmental impacts would not result from the proposed action or significant adverse impacts have been eliminated by making changes in the project. Consequently, a preliminary decision not to prepare an Environmental Impact Statement has been made.

This action is taken on the basis of a careful review of the Environmental Information Document, and other supporting data. These documents are on file in the West Virginia Department of Environmental Protection office and are available for public review on request. Additional copies of the Environmental Assessment will be made available, at cost, upon request.

It should be noted that this document will satisfy the NEPA requirements and Section 6 of the SRF regulations and therefore a 30 day public comment period for this document is not required. The Facility Plan shall be approved when this document is published.
